

JEE PLANNER

Authentication page

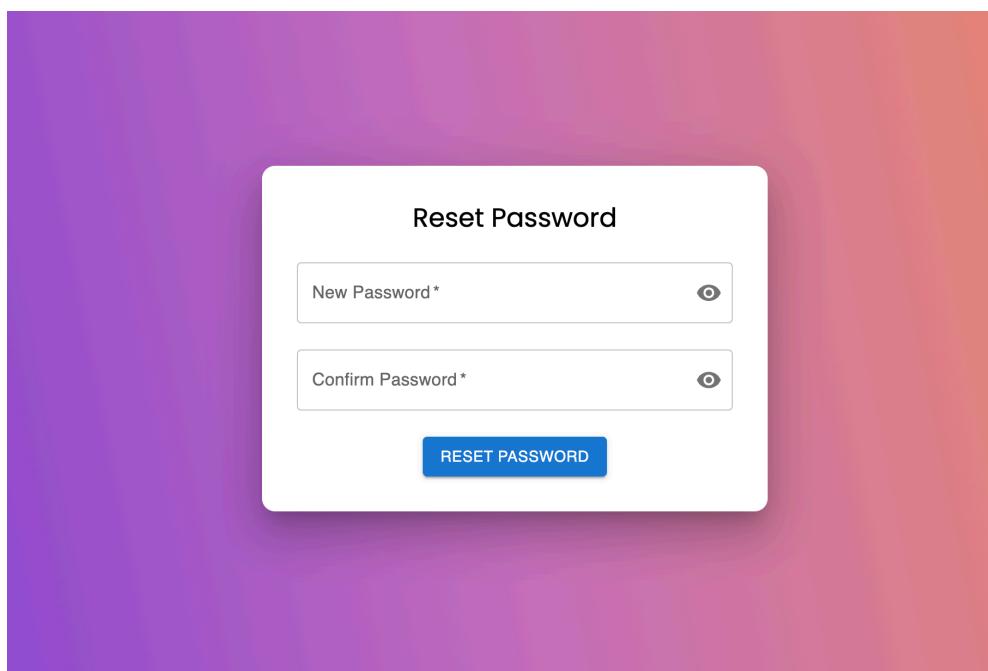

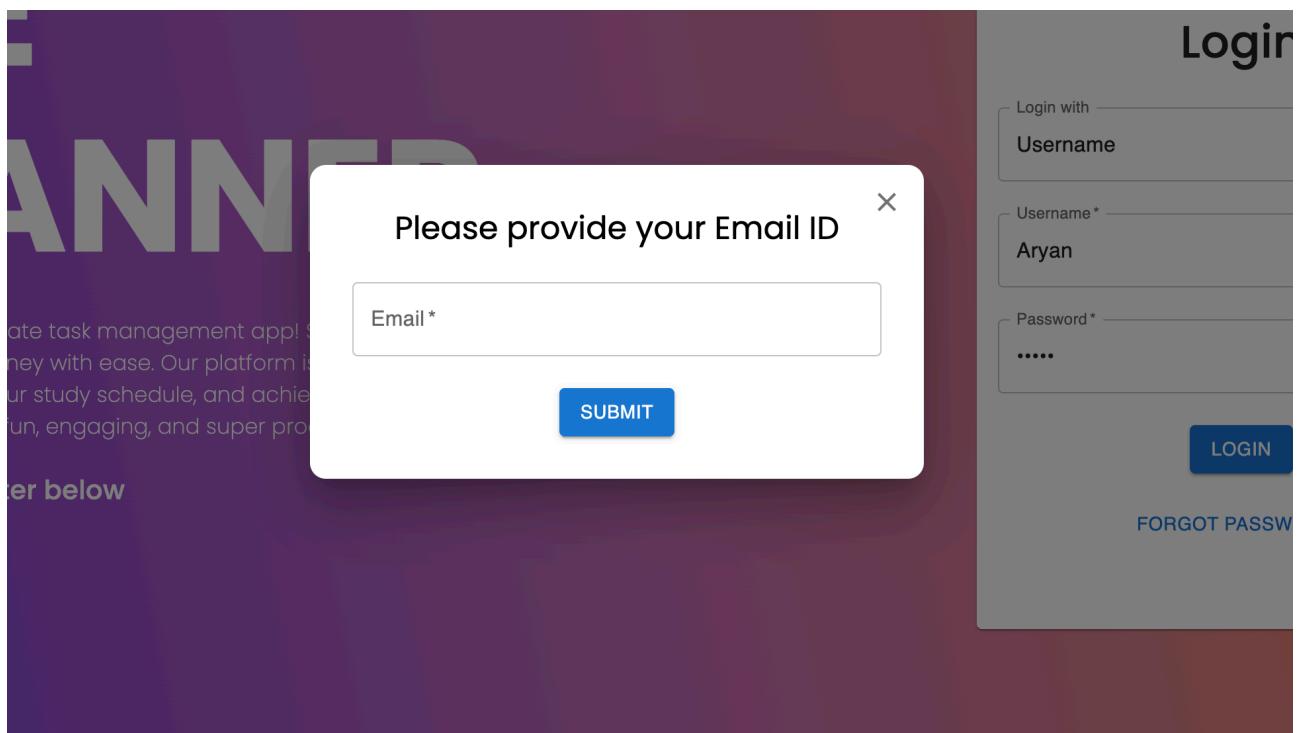

a) Register User

Users can register for an account by providing their username, email, and password. Upon successful registration, users can log in to access the main features of the JEE Planner.

b) Forgot Password

- 1) Users who forget their password can reset it using their registered email address.
- 2) A reset password email will be sent via the admin, containing a link to reset the password.

c) Login

- 1) Users can log in using either their username or email.
- 2) Credentials are validated, and an error message is displayed if incorrect credentials are entered.

The image displays two side-by-side wireframe designs of a login screen. Both screens have a header 'Login' and a footer 'FORGOT PASSWORD?'.

Left Screen (Error State): This screen shows an 'Invalid credentials' error message in a pink box above the input fields. The input fields are labeled 'Username' and 'Password'. Below the password field is a 'LOGIN' button and a 'FORGOT PASSWORD?' link.

Right Screen (Normal State): This screen shows a dropdown menu for 'Login with' set to 'Email'. It has fields for 'Email*' containing 'aryanprabhu.777@gmail.com' and 'Password*' containing '*****'. Below these is a 'LOGIN' button and a 'FORGOT PASSWORD?' link.

JEE PLANNER main page

The screenshot shows the JEE PLANNER application interface. At the top, there's a dark header bar with the title 'JEE PLANNER' and a date 'Saturday, 3rd August, 2024'. Below the header are four colored sections: Physics (purple), Chemistry (blue), Maths (green), and Notes (orange).

Physics: Contains two tasks: 'modern adv last 10 q' (status: red dot, due: Aug, 03) and 'modern revise for p4' (status: blue dot, due: Aug, 03).

Chemistry: Contains three tasks: 'coordinate mains' (status: red dot, due: Aug, 03), 'coordinate lvl 2,3' (status: yellow dot, due: Aug, 07), and 'revise for phasetest 4' (status: blue dot, due: Aug, 03).

Maths: Contains three tasks: 'definite integral lvl 2 package' (status: red dot, due: Aug, 03 | ! Aug, 14), 'calculus full once for p4' (status: blue dot, due: Aug, 03), and 'diff and area mains' (status: blue dot, due: Aug, 03).

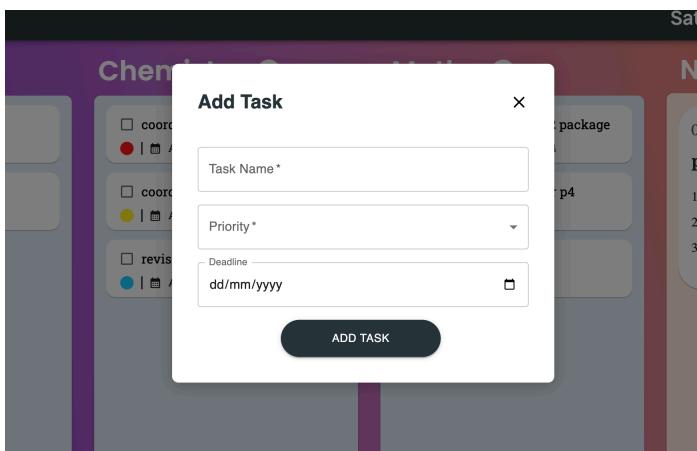

Notes: Shows a note for 'phase 4' dated '03/08' with a list of subjects: 1. maths - calculus, 2. chem - goc and 12th chem, 3. phy - modern and optics. There are edit and delete icons next to the note.

Functionalities

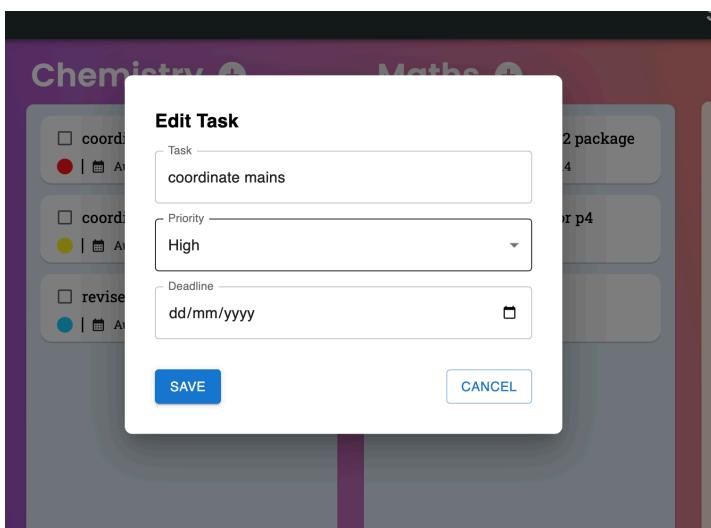

1) Task Management

Users can add, update, assign deadlines, and mark tasks as complete under each subject (Physics, Chemistry, Maths). Tasks are sorted by priority, and within the same priority, tasks are sorted by creation time (oldest to newest).

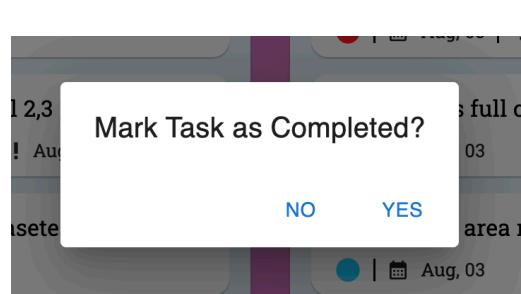

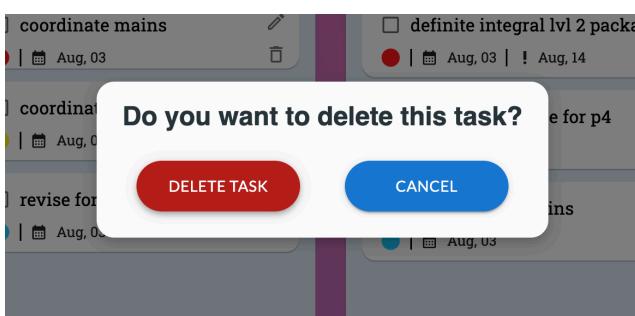

a) Add Task

b) Edit Task

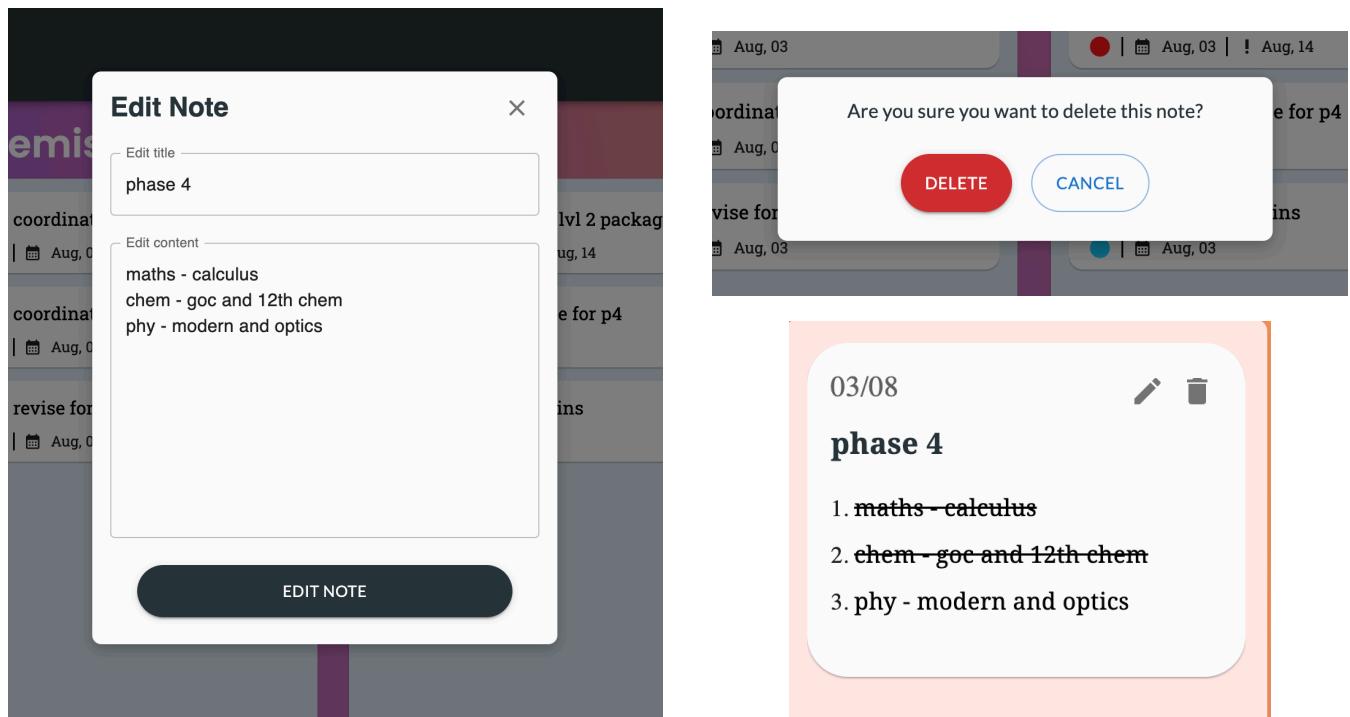

c) Mark Task and Completed

2) Notes Management

Users can write, edit, and delete notes for their convenience, helping them keep track of important information and study material.

3) Notifications

Users receive notifications based on the priority assigned to each task, ensuring they stay on top of their most important tasks.

4) External Storage

Users have access to an external storage containing previous year questions, providing valuable resources for their exam preparation.

5) User Account Management

Users can update their credentials, delete their account, and log out whenever required, giving them full control over their account.
